

**Lancashire and Cheshire Antiquarian Society guided tour of Bolton Central Museum**

**Thursday 9 May 2019 1.00 pm**

An opportunity for a guided tour of the new Egyptology Galleries and the Local History Gallery at Bolton Museum. Ian Trumble, the Collections Access Officer for Egyptology and Archaeology will lead us through the Egyptology Galleries and there will be opportunities for handling objects from the collections.

The Egyptology collection is “arguably one of the most important in a British local authority collection” and includes about 12,000 items from 65 sites in Egypt.

The local history collection contains much of interest to Antiquarian Society members including the only surviving cotton mule made by Crompton and material relating to the Mass Observation survey.

If you would like to attend please book a place using the slip below or email Alice Lock at malicelock@hotmail.com there will be a charge of £3.00 per head, payable on the day
